

## TC Energy 2022 Investor Day event to be webcast

Calgary, Alberta – **Nov 22, 2022** – News Release – TC Energy Corporation (TSX, NYSE: TRP) (TC Energy or the Company) will host its annual Investor Day on Tuesday, November 29, 2022.

Members of TC Energy's senior executive team will provide an update on TC Energy's operations, recent developments and strategic outlook.

The event will be webcast (audio with slides) beginning at 7:55 a.m. EST (5:55 a.m. MST). Interested parties may participate in the webcast available on TC Energy's website at [2022 Investor Day – Toronto \(tcenergy.com\)](https://www.tcenergy.com/2022-Investor-Day-Toronto).

A copy of the presentation and the webcast, which will be archived and accessible for replay, will be available on the website.

### About TC Energy

We're a team of 7,000+ energy problem solvers working to move, generate and store the energy North America relies on. Today, we're taking action to make that energy more sustainable and more secure. We're innovating and modernizing to reduce emissions from our business. And, we're delivering new energy solutions – from natural gas and renewables to carbon capture and hydrogen – to help other businesses and industries decarbonize too. Along the way, we invest in communities and partner with our neighbours, customers and governments to build the energy system of the future.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tcenergy.com).

### FORWARD-LOOKING INFORMATION

This release contains certain information that is forward-looking and is subject to important risks and uncertainties (such statements are usually accompanied by words such as "anticipate", "expect", "believe", "may", "will", "should", "estimate", "intend" or other similar words). Forward-looking statements in this document are intended to provide TC Energy security holders and potential investors with information regarding TC Energy and its subsidiaries, including management's assessment of TC Energy's and its subsidiaries' future plans and financial outlook. All forward-looking statements reflect TC Energy's beliefs and assumptions based on information available at the time the statements were made and as such are not guarantees of future performance. As actual results could vary significantly from the forward-looking information, you should not put undue reliance on forward-looking information and should not use future-oriented information or financial outlooks for anything other than their intended purpose. We do not update our forward-looking information due to new information or future events, unless we are required to by law. For additional information on the assumptions made, and the risks and uncertainties which could cause actual results to differ from the anticipated results, refer to the most recent Quarterly Report to Shareholders and Annual Report filed under TC Energy's profile on SEDAR at [www.sedar.com](https://www.sedar.com) and with the U.S. Securities and Exchange Commission at [www.sec.gov](https://www.sec.gov).
