Nufactor® Receives URAC’s Full Certification as a Rare Disease Pharmacy Center of Excellence

TEMECULA, Calif. — (GLOBE NEWSWIRE) — Nufactor, Inc., a specialty infusion company and subsidiary of FFF Enterprises, Inc., is delighted to announce that it has received full certification as a Rare Disease Pharmacy Center of Excellence by the Utilization Review Accreditation Commission (URAC). This award is effective from September 1, 2024 to March 1, 2027.

Having previously been awarded the [Pioneer in Performance Measurement by URAC in 2021 and 2022](#), this marks the third time that Nufactor has received a prestigious certification from the nation’s foremost independent health care accreditation organization. URAC is the independent leader in promoting health care quality by setting high standards for clinical practice, consumer protections, performance measurement, operations infrastructure and risk management. By achieving this status, Nufactor has demonstrated its commitment to quality care, enhanced processes, patient safety and improved outcomes.

“Nufactor is honored to receive URAC’s certification as a Rare Disease Pharmacy Center of Excellence. We’re proud to be known and awarded for the high level of care we provide to patients with rare diseases. This is an exceptional distinction,” says Joe DiStefano, RPh, IgCP®, CSP, vice president, clinical programs. “This continued recognition highlights Nufactor’s dedication to excellence in patient care and access, illustrating our alignment with URAC’s enduring mission: ‘exceptional healthcare for all.’”

URAC’s Rare Disease Certification demonstrates that Nufactor goes above and beyond when treating patients with rare diseases, and URAC describes this unique certification as, “developed with the input of rare disease experts, including NORD — The National Organization for Rare Disorders — to ensure it reflects current and proven best practices.”

“Patient care is at the heart of what URAC-accredited organizations do and we are proud to recognize Nufactor for achieving the Rare Disease Pharmacy Center of Excellence Certification,” said URAC President and CEO, Shawn Griffin, MD. “This certification reflects Nufactor’s commitment to their high quality in health care in the areas of risk management, consumer protection and empowerment, operations and infrastructure, as well as performance management and improvement.”
