Quarterly Highlights

- Net Interest Margin (NIM) Expansion. For the quarter ended June 30, 2024, net interest income totaled \$54.0 million and net interest margin and net interest spread were 3.45% and 2.47%, respectively, compared to \$51.5 million, 3.32% and 2.36% from the linked quarter. Non-GAAP net interest margin and net interest spread (excluding loan discount accretion of \$1.7 million) were 3.34% and 2.37%, respectively, for the quarter ended June 30, 2024, compared to 3.27% and 2.31% (excluding loan discount accretion of \$0.8 million) for the linked quarter.
- Noninterest Income Investments. Noninterest income for the quarter ended June 30, 2024, increased \$2.8 million or 29.73% from the linked quarter. Significant drivers for the quarter were increased loan sale activity, largely related to a \$1.9 million gain on sale from a newly originated USDA loan, as well as increased origination and sale of Small Business Administration (SBA) loans, due to the first quarter acquisition of Waterstone LSP. Additionally, continued progress in the newly formed customer swap business along with improved revenue in service charge fees and debit card and ATM fees improved financial results.
- Deposits. During the quarter ended June 30, 2024, noninterest-bearing deposits increased \$15.2 million or 1.17% and money market accounts increased \$130.1 million or 7.26%. Deposits decreased \$9.1 million or 0.16%, 0.66% annualized, for the quarter ended June 30, 2024, compared to the linked quarter. The decrease in interest-bearing deposits was attributable to strategic reductions of \$75.1 million of brokered deposits with a weighted average rate of 5.16%.
- Loan Growth. Loans held for investment increased \$74.0 million or 1.45%, 5.85% annualized, from the linked quarter. Loan growth was mostly attributable to the \$93.4 million increase in the commercial and industrial (C&I) portfolio. Business First continued the trend of reducing construction and development (C&D) portfolio exposure, with a decrease of \$24.6 million from the linked quarter.
- Oakwood Acquisition. On April 25, 2024, Business First announced that it entered into a definitive agreement to acquire Oakwood Bancshares, Inc. (Oakwood) and its wholly-owned subsidiary, Oakwood Bank. Oakwood had approximately \$839.7 million of total assets as of March 31, 2024.

Loan and interest-earning asset yields of 7.07% and 6.38%, respectively, increased 19 and 20 basis points, respectively, compared to 6.88% and 6.18% from the linked quarter. The overall cost of funds, which include noninterest-bearing deposits, increased from 3.00% to 3.07% or 7 basis points, from the linked quarter due to higher cost deposits.

For the quarter ended June 30, 2024, other income increased \$2.8 million or 29.73%, compared to the linked quarter. The net increase was largely attributable to a \$2.3 million increase in gain on sales of loans attributable to increased sales of SBA loans and a \$1.9 million gain from the sale of a large USDA loan during the quarter ended June 30, 2024 compared to the linked quarter.

Other Expenses

For the quarter ended June 30, 2024, other expenses increased by \$588,000 or 1.38%, compared to the linked quarter. The increase was attributable to marginal increases in several categories.

Non-GAAP Financial Measures

This press release includes certain non-GAAP financial measures (e.g., referenced as "core" or "tangible") intended to supplement, not substitute for, comparable GAAP measures. "Core" measures typically adjust income available to common shareholders for certain significant activities or transactions that, in management's opinion, can distort period-to-period comparisons of Business First's performance. Transactions that are typically excluded from non-GAAP "core" measures include realized and unrealized gains/losses on former bank premises and equipment, investment sales, acquisitionrelated expenses (including, but not limited to, legal costs, system conversion costs, severance and retention payments, etc.). "Tangible" measures adjust common equity by subtracting goodwill, core deposit intangibles, and customer intangibles, net of accumulated amortization. Management believes presentations of these non-GAAP financial measures provide useful supplemental information that is essential to a proper understanding of the operating results of Business First's core business. These non-GAAP disclosures are not necessarily comparable to non-GAAP measures that may be presented by other companies. Reconciliations of non-GAAP financial measures to GAAP financial measures are provided at the end of the tables below.
