

Practical Advances in Cancer Care & Research

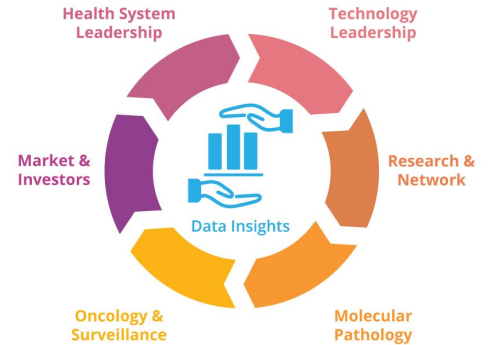

Bringing the Cancer Moonshot Back to Earth

ANNUAL EXECUTIVE EXCHANGE | July 31—August 2, 2019 | Orlando, FL

EXECUTIVE EXCHANGE MISSION

Cancer care thought leaders of varied disciplines come together to focus on the data, technologies, clinical processes and collaboration our industry needs to propel practical advancements in cancer care

- Separate the “moonshot” hype from pragmatic approaches that solve real problems today
- Fuse the multiple disciplines required to build relevant data pipelines that drive successful new therapy research
- Understand the real clinical and data delivery issues that are impeding care advancements
- Establish an annual set of priorities that can accelerate change

FEATURED SPEAKERS

KEYNOTE SPEAKER
MICHAEL CALIGIURI, MD
*President, City of Hope National Medical Center

TECHNOLOGY EXCHANGE
DAVID DIMOND
*CTO Global Healthcare & Life Sciences—Dell/EMC
*Distinguished Engineer
*Adjunct Lecturer—Babson College

MARKET EXCHANGE
JOSEPH FERRARA
*President, Boston Healthcare
*Writer & Speaker—Evidence-Based Value for Innovative Healthcare Technologies

ONCOLOGY EXCHANGE
JUERG HODLER, MD, MBA
*Chief Medical Director—University Hospital Zurich
*Chairman Radiology—University Hospital Zurich

MOLECULAR EXCHANGE
JEFFREY TRENT, PHD
*President & Research Director—Translational Genomics Research Institute (TGen)

PATHOLOGY EXCHANGE
CARLOS CORDON-CARDO, PHD
*Chairman, Dept. of Pathology, Molecular and Cell Based Medicine, Genomic & Oncological Sciences at Mount Sinai Health System

RESEARCH EXCHANGE
AJAY SHAH, PHD, MBA
*Executive Director of Translational Medicine IT at Bristol-Myers Squibb (BMS)

PATHOLOGY EXCHANGE
TONY MAGLIOCCO, BSC, MD
* President and CEO—Protean BioDiagnostics
* Former Chair Anatomical Pathology—Moffitt Cancer Center

TECHNOLOGY EXCHANGE
MARK HULSE
*Chief Digital Officer—City of Hope
Former CIO—Moffitt Cancer Center

PATHOLOGY EXCHANGE
MAHUL AMIN, MD
*Chair of Pathology University of Tennessee Health Science Center (UTHSC)

ONCOLOGY EXCHANGE
DAN THEODORESCU, PHD
*Director, Cedars-Sinai Samuel Oschin Comprehensive Cancer Institute

PAYER EXCHANGE
MICHAEL SHERMAN, PHD
