

# NEVER AGAIN

DECEMBER 6<sup>th</sup>

CANADA'S NATIONAL DAY OF REMEMBRANCE AND  
ACTION ON VIOLENCE AGAINST WOMEN

*"May they never be forgotten"*

It has been 34 years since fourteen women were selectively killed at the Montreal Polytechnique.

With your help, we will remember the 1000+ women killed in BC by violence.

Our goal is **"that the names of the victims should never be forgotten."**

Their names will be on display and their lives represented by a pair of shoes.

The visual impact of so many shoes, with each representing a Mother, a Daughter, a Sister, or a friend who has lost her life from violence, and is no longer walking amongst us, has made a difference in the attitudes and reactions of the public since the first Shoe Memorial.

***Sadly, women and girls are still dying needlessly!***

***Join us at our Annual Shoe Memorial and pay your respects  
to those who have been killed.***
