PERRYSBURG, Ohio (February 25, 2022) O-I Glass, Inc. (NYSE: OI) (the “Company”), announced today that Owens-Brockway Glass Container Inc., a Delaware corporation and an indirect wholly owned subsidiary of the Company (“OB Glass”), has announced the early tender results of its previously announced tender offer to purchase for cash (the “Tender Offer”) up to \$250,000,000 in aggregate purchase price, excluding accrued and unpaid interest (the “Maximum Tender Amount”) of its outstanding 5.875% Senior Notes due 2023 (the “2023 Notes”), 6.625% Senior Notes due 2027 (the “2027 Notes”), 6.375% Senior Notes due 2025 (the “6.375% 2025 Notes”) and 5.375% Senior Notes due 2025 (the “5.375% 2025 Notes” and, together with the 6.375% 2025 Notes, the “2025 Notes”). The 2023 Notes, the 2027 Notes and the 2025 Notes are referred to herein collectively as the “Notes”. The Tender Offer is being made on the terms and subject to the conditions set forth in the Offer to Purchase, dated February 10, 2022 (the “Offer to Purchase”). As described in the Offer to Purchase, repurchases of the 2023 Notes are subject to a maximum aggregate principal amount of \$150,000,000 (the “2023 Note Cap”) and repurchases of the 2027 Notes are subject to a maximum aggregate principal amount of \$100,000,000 (the “2027 Note Cap” and, together with the 2023 Note Cap, the “Series Note Caps”). With respect to the Notes validly tendered and not validly withdrawn at or prior to the Early Tender Time (as defined herein) and accepted for purchase, OB Glass has elected to have an early settlement date to make payment for such Notes on February 28, 2022. Except as described in this press release, all other terms of the Tender Offer as described in the Offer to Purchase remain unchanged.

The following table sets forth certain information regarding the Notes and participation in the Tender Offer, including the aggregate principal amount of each series of Notes that was validly tendered as of 5:00 p.m., New York City time, on February 24, 2022 (the “Early Tender Time”) according to D.F. King & Co., Inc., the tender agent and information agent for the Tender Offer.

(1) The proration factor has been rounded to the nearest tenth of a percentage point for presentation purposes.

The deadline to withdraw Notes validly tendered in the Tender Offer was 5:00 p.m., New York City time, on February 24, 2022. Accordingly, previously tendered Notes may no longer be withdrawn.

The acceptance of tendered Notes was made in accordance with the Tender Offer terms as described in the Offer to Purchase. As the aggregate principal amount of each of the 2023 Notes and the 2027 Notes validly tendered and not validly withdrawn as of the Early Tender Time exceeds the Maximum Tender Amount and applicable Series Note Cap, the 2023 Notes and the 2027 Notes that were accepted for purchase by OB Glass were prorated so as to accept the maximum principal amount of the 2023 Notes and the 2027 Notes that did not result in the Maximum Tender Amount and applicable Series Note Cap being exceeded. As a result of proration rounding, \$150,000,000 in aggregate principal amount of 2023 Notes was accepted for purchase, and \$88,179,000 in aggregate principal amount of the 2027 Notes was accepted for purchase. In addition, since the aggregate purchase price of the Notes,

excluding accrued and unpaid interest, validly tendered and not validly withdrawn as of the Early Tender Time exceeds the Maximum Tender Amount, OB Glass will not accept for purchase any of the 2025 Notes that were validly tendered and not validly withdrawn or Notes of any series tendered after the Early Tender Time.
