

CORPORATE GOVERNANCE STATEMENT FROM FINANCIAL YEAR 1 FEBRUARY 2016 - 31 JANUARY 2017

Kotipizza Group Oyj follows in its administration the Finnish listed companies' Corporate Governance Code prepared by the Securities Market Association. The code can be viewed on the Securities Market Association's website www.cgfinland.fi. In case Kotipizza Group Oyj shall deviate from the recommendations of the Code, Kotipizza Group Oyj shall explain the exception and justify it suitably.

This report is drafted as a separate report from the annual report of the Board of Directors. The report will not be updated during the accounting period but the topics it contains and other necessary and up-to-date investor information is displayed on the company's website (kotipizzagroup.com/investors/) in its Investors part.

General Meeting and Articles of Association

The supreme decision-making organ of Kotipizza Group Oyj is the General Meeting where shareholders use their power of decision. The agenda of General Meeting is based on the Limited Liability Companies Act according to which the General Meeting nominates members of the Board of Directors, decides on approval of consolidated financial statement and exemption of liability to members of the Board of Directors and the CEO.

Notice of General Meeting is published on the website of Kotipizza Group Oyj. In addition, time and place of the meeting as well as the address of the website are published in one national newspaper chosen by the Board of Directors. Agenda of the meeting as well as other related material shall be available on the website of the company before the meeting.

Articles of Association are available on the website of Kotipizza Group Oyj. Amendments to Articles of Association must always be decided in General Meeting.

Board of Directors

The Board of Directors is responsible for the administration of the company and the appropriate organisation of its operations. According to Articles of Association the Board of Directors consist of at least five (5) and at the most ten (10) members. The term of the members shall expire when the next General Meeting after the election ends.

Composition of the Board of Directors takes into account the preconditions derived from the phase of development and operations of the company as well as diversity. Members of the Board of Directors shall have sufficient competence and possibility to use enough time for taking care of the task. The Board of Directors shall have both genders. There is no special order according to which the members should be elected.

The Board of Directors has approved diversity principles. The Board of Directors applies the following principles when identifying and suggesting candidates to be elected as members of the Board of Directors:

1. consider candidates who have expertise, personal skills and qualities important for Kotipizza Group Oyj's business;

2. consider board composition that supports Kotipizza Group Oyj's business now and in the future; considering diversity criteria including gender, age, ethnicity, experience, education and geographic background aiming at the increased diversity of thinking; and

3. in addition to its own search, when needed, engage qualified independent external advisors to conduct a search for candidates that meet the board's skills and diversity criteria to help achieve its diversity aspirations.

The Board of Directors aspires towards board composition in which each gender comprises at least one-third of the Board of Directors members.

The Board of Directors approved the diversity principles after the Annual General Meeting 2016 and thus the diversity principles were not formally applied during the candidate identifying process. However, the gender diversity goal was fulfilled already during 2016.

In order to prevent conflicts of interest majority of members of the Board of Directors shall not be dependent on the company. Based on dependence evaluation performed according to recommendations of the Corporate Governance Code prepared by the Finnish Securities Market Association, members of the Board of Directors of Kotipizza Group Oyj are independent of the company and its significant shareholders apart from Mr. Johan Wentzel, Ms. Marjatta Rytömaa and Mr. Kim Hanslin. Mr. Johan Wentzel and Ms. Marjatta Rytömaa are partners of Sentica Partners Oy. Mr. Kim Hanslin has been the CEO of Kotipizza Group Oyj until 2012.

Work of the Board of Directors

The Board of Directors has drafted a written work agenda. The work agenda includes e.g. participants to be invited as well as meeting practices. The main tasks and operation principles of the Board of Directors are also determined in the work agenda.

The Board of Directors appoints the CEO and Management Team of the company. The Board of Directors follows the result and financial standing of the company on a regular basis. Additionally, the Board of Directors follows risk management and appropriateness of the administration of the company.

According to the work agenda, in addition to its specific duties defined in legislation and the company's Articles of Association, Kotipizza Group Oyj's Board of Directors:

- approves the company's long-term goals and strategy;
- approves the company's business plan, budget and financing plan and monitors their implementation;
- confirms the principles of the company's internal control and risk management;
- reviews the material risks affecting the company's operations and their management, and supervises the adequacy, relevance and efficiency of the company's administrative processes;
- processes and approves, among others, business acquisitions and arrangements and other significant decisions;
- confirms the company's management's duties and areas of responsibility, as well as the reporting system;
- confirms the principles of short and long-term reward and incentive plans offered to personnel; and
- defines the company's dividend policy.

The Board of Directors evaluates its operations and working methods once a year as an internal self-evaluation. The members of the Board of Directors send their evaluations to the chairman of the Board of Directors. The Board of Directors aims at evaluating the efficiency of its operations and at the same time

checks whether there is need to update the work agenda or not. Results of the evaluation shall be taken into account when drafting the next plan of action and composition of the Board of Directors.

Committees of the Board of Directors

The Board of Directors formed in its meeting held on 23 January 2017 an audit committee and a remuneration committee.

The audit committee serves to assist the Board of Directors in its control tasks related to the financial reporting, internal control system and risk management of the Kotipizza Group as well as its internal auditing and auditing function. The audit committee has three members. The Board of Directors appoints the chairman and the members on a yearly basis. Members of the audit committee were during the financial year which ended 31 January 2017 Johan Wentzel (chairman), Minna Nissinen and Kim Hanslin. The audit committee did not meet during the financial year which ended 31 January 2017.

The remuneration committee serves to assist the Board of Directors in matters related to the nomination and remuneration of key personnel. In addition, the remuneration committee shall evaluate, monitor and guide the situation and development of staff issues which are important in terms of corporate culture and strategy. The remuneration committee has from three up to five members. The Board of Directors confirms the number of members and appoints the chairman and the members on a yearly basis. Members of the remuneration committee were during the financial year which ended 31 January 2017 Kalle Ruuskanen (chairman), Petri Parvinen and Marjatta Rytömaa. The remuneration committee did not meet during the financial year which ended 31 January 2017.

Meetings and remuneration

The Board of Directors meets in general once a month except July, i.e. altogether 11 times in a year.

The members of the Board of Directors were paid the following remuneration during the financial year which ended 31 January 2017:

The Board of Directors proposes to the Annual General Meeting that the following remuneration is paid to the members of the Board of Directors:

- Chairman and Marjatta Rytömaa EUR 500 per month
- Members EUR 2 000 per month
- Separate meeting remuneration was not paid.

The members of the Board of Directors have not received during financial year which ended 31 January 2017 any shares or special rights entitling to shares.

Reporting and guidance systems

Kotipizza Group Oyj has necessary reporting systems in order to efficiently follow business operations. Internal control is based on the vision of the company, its strategic and commercial goals.

Achievement of commercial goals and financial development of Kotipizza Group Oyj are followed on a monthly basis with the help of a comprehensive guidance system. As a relevant part of the guidance system Management Team of the company scrutinizes the realization information and up-to-date forecasts. The guidance system includes comprehensive sales reports, profit and loss account, forecasts for turnover and final result as well as other key figures for operations.

According to the guidance system:

- Reports on the volumes of street restaurants' chain trade are given to Management Team on a daily basis
- The Board of Directors and Management Team receive a) monthly report where fulfilled monthly data of the current financial year and key figures are compared to last financial year's corresponding period and budget and b) a year-end forecast updated according to the realization which is compared to the original annual budget.
- The consolidated forecast (EBITDA level) will be updated once a month. The company has functional monitoring and the ability to detect any changes which require updates to the forecasts.
- Overview of the monthly return within the Management Team and the Board of Directors. Management Team comments on the trends and deviations from the budget and previous year's comparative figures.
- A review given to the Board of Directors, also contains CEO's review and description of the market conditions.
- The Board of Directors will confirm the revised forecast model and the budgeting process.

Main principles of internal control and risk management

Internal control

The purpose of internal control is to guarantee that operations of Kotipizza Group Oyj are effective and fruitful, control of identified risks sufficient and appropriate and published information reliable. Also compliance with determined operational principles and given guidelines are followed with the help of internal control.

Internal control of Kotipizza Group Oyj is based on the Limited Liability Companies Act, Securities Markets Act, Articles of Association as well as on the internal operational principles of the company. The management and control of the company are divided between the General Meeting, the Board of Directors and CEO. By internal control is meant all such activities, systems and methods by the help of which the management aims to secure effective, economical and reliable operations.

The Board of Directors of Kotipizza Group Oyj has the responsibility of arranging internal control, risk management and principles for internal auditing. The Board of Directors has an audit committee.

The CEO of Kotipizza Group Oyj is responsible for the strategy of the company and compliance with it as well as required investments. The CEO is also obliged to see that the accounts of the company are in compliance with the law and that its financial affairs have been arranged in a reliable manner. The upper management of

the company is responsible for internal control. External auditing is taken care of by auditors and internal auditing by an outsourced service provider (if necessary).

Identified risks and X-factors

Kotipizza Group Oyj will comply the risk management and internal control policies approved by the Board of Directors.

- The CEO and Management Group members evaluate business risks at the same time with the strategy process and annual planning
- The business units' operative management produce risk assessments on their own activities and submit action plans on managing the risks, which will be compiled
- Changes in the strategic and operational risks are dealt within the Management Group, and the vital changes are taken to the Board of Directors for consideration.

The controls of accounting and financial reporting are explained in:

- Finance Department's guidelines and regulations
- as regards to outsourcing, partner Accountor Ltd's internal guidelines and regulations.
- The centralized financial department of the parent company deals with financial risk management in accordance with the principles approved by the Board of Directors
- The principles of the overall risk management; practices in specific areas such as interest rate risk, use of derivative instruments, the placement of excess liquidity.

The most significant of identified risks and X-factors are specified on the website of Kotipizza Group Oyj. Identified risks are also assessed in interim reports and annual reports of the company.

Internal Auditing

The Company's internal audit function assists the Board of Directors in its supervisory role.

Kotipizza Group Oyj does not currently have a separate internal audit unit and therefore internal auditing resources are strengthened by procuring internal auditing services from external service providers as needed. The Board of Directors has an audit committee to which the Board of Directors confirms rules of procedure.

Auditing

The purpose of auditors is to make sure that the consolidated financial statements have been drafted in accordance with applicable legislation in a way that they provide right and sufficient information on the result of Kotipizza Group Oyj as well as on its financial standing and other necessary information for the interest groups of Kotipizza Group Oyj.

Other relevant goals of auditors is to secure that the internal control and risk management of the company are arranged appropriately and that the organization complies with drafted principles and guidelines. Distribution between external and internal control has been taken care of by making internal auditing responsible for securing that the company operates in accordance with internal principles and guidelines.

According to the articles of association the company has one auditor that must be approved by the Central Chamber of Commerce. The Annual General Meeting elects the auditor for a term of office that runs until the end of the following Annual General Meeting. Ernst& Young Oy, firm of authorised public accountants, has served as Kotipizza Group Oyj's auditor for the financial year ending 31 January 2017. Authorised public accountant Antti Suominen has been the responsible auditor.

Fees paid for auditing are discussed in detail in a separate Remuneration Report of Kotipizza Group Oyj.

Insider Administration

Kotipizza Group Oyj follows NASDAQ OMX Helsinki Ltd's insider guidelines that entered into force on 3 July 2016.

The Board of Directors has confirmed insider guidelines that have been published on the company's website.

Kotipizza Group Oyj maintains project-specific insider list of any projects which, if realized, are likely to have a significant effect on the value of Kotipizza Group Oyj's financial instruments or the derivatives related to them. Regarding their scope or nature, such projects are clearly different from the company's normal business. Every person with access to inside information related to the project is recorded in the project-specific inside list. In the event that inside information is disclosed to people outside of Kotipizza Group Oyj (such as financial or other advisers), Kotipizza Group Oyj may request said parties to maintain a necessary insider list of the persons to whom the information has been disclosed. A person named in the project-specific list may not disclose the inside information to outsiders, trade or engage in transactions with Kotipizza's financial instruments or advise others in relation to the aforementioned.

In addition to the project-specific insider lists Kotipizza Group Oyj maintains a permanent insider list.
