SUMMER SAFETY PLEDGE

Teen Commitment

This summer, I pledge to make smart, safe choices every time I get behind the wheel. I understand that driving is a responsibility, and my choices affect not only me, but everyone on the road.

I promise to:

- Wear my seatbelt every trip, every time
- Stay focused and keep my phone out of my hands while driving
- Obey speed limits and drive responsibly, even when I'm running late
- Never drive under the influence of drugs or alcohol
- Avoid dangerous distractions from friends, music, or social media
- Speak up if I feel unsafe as a passenger
- Respect weather conditions, road conditions, and other drivers
- Make decisions that protect myself, my passengers, and my community

I choose to Drive Smart this summer – because one safe choice can change everything.

Parent Commitment

This summer, I commit to helping my teen build safe driving habits through guidance, communication, and accountability. I understand that setting expectations and leading by example can help protect my child and others on the road.

I promise to:

- Model safe driving behaviors every time I drive
- Encourage open, judgment-free conversations about driving safety
- Set clear rules and expectations for responsible driving
- Help limit distractions, including phone use behind the wheel
- Reinforce the importance of seatbelts, speed limits, and defensive driving
- Monitor driving habits and address unsafe behaviors early
- Support my teen in making smart decisions, even under peer pressure
- Prioritize safety over convenience, schedules, or social plans

Together, we are committed to making this a safe and responsible summer on the road.
