OTC **COVID-19** TEST
AND Rx HOME-USE
INFLUENZA A/B
+ **COVID-19**
MULTIPLEX TEST

Connected and portable

Automated EHR/LIMS integrations at the point-of-care and public health reporting/telehealth for at-home self-testing enabled by the app-connected, palm-fitting, re-usable Clip Core device.

High-performance and versatile

Technology combining glow-in-the-dark chemistry and AI enables high-accuracy affinity-based assays across infectious, metabolic, endocrine, and chronic diseases. Partner with us to invent the future of healthcare!
