

SPEAKER ALERT: TDC Announces First Speakers, Ticket Availability for 2026 DC Blockchain Summit

Washington, DC (September 9, 2025) -- Today, The Digital Chamber (TDC) announced the first information and speakers for their annual DC Blockchain Summit, set for March 17-18, 2026. The two-day event will be held at Capital Turnaround.

Among the notable names committed to joining the event are:

- **Donald Trump, Jr.**, Co-Founder, *World Liberty Financial*
- **Anthony Scaramucci**, Founder and Co-Managing Partner, *SkyBridge Capital*
- **J. Christopher Giancarlo**, senior counsel and Co-Chair of Willkie Digital Works practice, *Willkie Farr & Gallagher LLP*
- **Caitlin Long**, Founder & CEO, *Custodia Bank*
- **Richard Teng**, Chief Executive Officer, *Binance*
- **Matthew White**, Chief Executive Officer, *Vara*
- **Chris Pavlovski**, Founder and CEO, *Rumble*
- **Lee Schneider**, General Counsel, *Ava Labs*
- **Brandi Reynolds**, Chief Compliance Officer, *World Liberty Financial*
- **Lilya Tessler**, Partner, *Sidley Austin*

“The upcoming Summit will be a must-attend for anyone engaged in policy, advocacy, and rule-making related to digital assets. Last year, we were honored by the biggest names in crypto, and the 2026 roster of speakers and attendees is shaping up to be even more impressive,” said Cody Carbone, TDC’s CEO.

In 2025, the event drew over 1100 attendees, representing more than 600 companies. Nearly a quarter of those were lawmakers or policy influencers.
