

Quorum Announces 2018 Earnings Results Release Date and Conference Call Details

CALGARY, Alberta, April 18, 2019 (GLOBE NEWSWIRE) -- Quorum Information Technologies Inc., a leading provider of dealership and customer management software and value-added services to the automotive industry, intends to release its year end 2018 earnings results after the market closes on Thursday, April 25, 2019.

A conference call has been scheduled for Friday, April 26 beginning at 11:00 MT (1:00 ET), at which time Maury Marks, President and Chief Executive Officer and Marilyn Bown, Chief Financial Officer will provide a presentation of the results followed by a question and answer period.

Anyone wishing to participate in the call is asked to dial-in using the following numbers and ask for the Quorum Information Technologies Inc. 2018 Year End Results Conference Call. Callers are asked to dial-in 10-15 minutes before the scheduled start time.

Details for anyone wishing to participate in the conference call are:

Local: 1 (403) 451-9838

Toll-Free North America: 1 (888) 231-8191

A replay of the conference call will be available beginning at 13:45 MT on April 26, 2019 until 21:59 MT on May 10, 2019, and can be accessed by dialing:

Local: 1 (403) 451-9481

Toll-Free North America: 1 (855) 859-2056

Password#: 7169819

A replay of the conference call will also be available for at least 30 days following the call on Quorum's website, under the Investors section, at www.quorumdms.com.

Quorum's Year End 2018 Earnings Results investor presentation will also be available for download after the press release has been issued under the Investors section on the Company's website at www.quorumdms.com.

About Quorum Information Technologies Inc.

Quorum is a North American company focused on developing, marketing, implementing and supporting its portfolio of software and services for automotive dealerships that includes:

- 1 XSellerator™, a Dealership Management System (DMS) that automates, integrates and streamlines key processes across departments in a dealership, and emphasizes revenue generation and customer satisfaction.
- 1 DealerMine CRM, a sales and service Customer Relationship Management system and set of Business Development Center services that drives revenue into the critical sales and service departments in a dealership.
- 1 Autovance, a sales desk system that increases sales department gross margins and improves customer satisfaction for dealerships.
- 1 Advantage, a full showroom system for both franchised and independent dealerships and a comprehensive operating system that includes accounting for the independent market.

Quorum Information Technologies Inc. is traded on the Toronto Venture Exchange (TSX-V) under the symbol QIS. For additional information please go to www.QuorumDMS.com.

Neither the TSX Venture Exchange nor its regulation services provider (as that term is defined in the policies of the TSX Venture Exchange) has reviewed this release and neither accepts responsibility for the adequacy or accuracy of this release.
