

SKYE VERBS

Whether she is leaving her heart on stage during her reoccurring acoustic sets at the Soulview Sessions in Stamford, CT where she grew up, in the studio with Ashby, Guap, Sam and Diny producing another record, or mentoring young adults on mental health and financial literacy, multi-faceted Soul R&B singer, songwriter and poet **Skye Verbs** can be found pouring love into this world any day of the week. Like being wrapped in a blanket on your favorite couch drinking a hot cup of coffee on a crisp fall morning, **Skye** brings the same warmth to her listeners. Through her raw and transparent lyricism, **Skye Verbs** doesn't just hit notes; **Skye** moves the soul with truths that make any listener look in the mirror and find their inner hero.

Skye Verbs worked as an independent artist until signing with record label Aces Nation in late 2015. Aces Nation is a full service independent record label that houses an agency and artist management arm. Shortly after signing, **Skye** released her debut EP Soul Food Eye Candy which landed her at #73 on the iTunes US R&B chart, #1 on the iTunes R&B chart in Taiwan, and #16 on the iTunes main chart in Taiwan. Soul Food Eye Candy is more than an EP title for Skye, rather a pillar of her artistry: It is a means by which she chooses to build her career, spread her message and live her life – with purpose and substance.

Skye Verbs is currently in the studio working on her next project *The F-Word* – a vibey soul R&B EP with dynamic vocals and tempos. *The F-Word* challenges listeners to dig deeper into their feelings, knowing it is ok to be expressive and true to themselves.
