

OSISKO REPORTS FIRST QUARTER 2019 RESULTS

CASH FLOWS FROM OPERATING ACTIVITIES OF \$24.8 MILLION

Montréal, May 1, 2019 – Osisko Gold Royalties Ltd (the "Company" or "Osisko") (OR: TSX & NYSE) today announced its consolidated financial results for the first quarter of 2019.

Highlights

- Earned 19,753 gold equivalent ounces¹ ("GEOs") compared to 20,036 in Q1 2018;
- Revenues from royalties and streams of \$33.5 million compared to \$32.6 million in Q1 2018;
- Generated cash flows from operating activities of \$24.8 million compared to \$23.3 million in Q1 2018;
- Adjusted earnings² of \$5.8 million, \$0.04 per basic share² compared to \$8.9 million, \$0.06 per basic share in Q1 2018;
- Recorded cash operating margins³ of 89% from royalty and stream interests, generating \$29.9 million in operating cash flow in the first quarter, in addition to a quarterly cash operating margin of \$0.7 million from offtake interests;
- Closed the previously announced senior secured silver stream facility with reference to up to 100% of the future silver produced from the Horne 5 property owned by Falco Resources Ltd.;
- Repaid in full the revolving credit facility in January 2019 (payment of \$30.0 million);
- Incurred an impairment charge of \$38.9 million (\$28.6 million, net of income taxes) on the Renard diamond stream. This impairment is mainly due to a significant impairment charge of \$83.2 million announced on March 28, 2019 by the operator of the Renard diamond mine in Québec, Canada, reflecting a lower diamond pricing outlook than expected;
- Acquired for cancellation 852,500 of our common shares for \$10.2 million (average acquisition cost of \$11.96 per share);
- Held \$108.5 million in cash and \$403.8 million in equity investments⁴ as at March 31, 2019;
- Declared a quarterly dividend of \$0.05 per common share paid on April 15, 2019 to shareholders of record as of the close of business on March 29, 2019.

Recent Performance

Sean Roosen, Chair and Chief Executive Officer commented on the first quarter of 2019 activities: "Our Q1 results were in-line with our expectation and we anticipate to meet our guidance with stronger GEO deliveries from our asset base during the remainder of the year. With stronger deliveries from the Renard and Gibraltar streams as well as growth expected this year from the Lamaque and Eagle Gold royalties, Osisko looks forward to enhanced financial flexibility and to potentially increase its dividend towards the end of the year, and continues to be in a great position to deploy capital as opportunities present themselves in the current depressed market environment. We congratulate the Eldorado Gold Corporation team for achieving commercial production at its Lamaque mine in Québec".

<u>Outlook</u>

Osisko's 2019 outlook on royalty, stream and offtake interests is based on publicly available forecasts, in particular the forecasts for the Canadian Malartic mine published by Yamana Gold Inc. and Agnico Eagle Mines Limited, for the Éléonore mine published by Newmont Goldcorp Corporation, and for the Renard mine published by Stornoway Diamond Corporation. When publicly available forecasts on properties are not available, Osisko obtains internal forecasts from the producers, which is the case for the Mantos Blancos mine, or uses management's best estimate.

Attributable GEOs for 2019 remains unchanged from previous guidance. GEOs and cash margin by interest are estimated as follows:

	Low (GEOs)	High (GEOs)	Cash margin (%)
Royalty interests Stream interests	54,700 28,000	61,100 31,300	99.9 65.5
Offtake interests	2,300 85.000	2,600 95.000	1.2

For the 2019 guidance, silver, diamonds and cash royalties have been converted to GEOs using commodity prices of US\$1,300 per ounce of gold, US\$15.50 per ounce of silver and US\$95 per carat for diamonds from the Renard mine (blended sales price) and an exchange rate (US\$/C\$) of 1.30.

Notes:

(1) GEOs are calculated on a quarterly basis and include royalties, streams and offtakes. Silver earned from royalty and stream agreements was converted to gold equivalent ounces by multiplying the silver ounces by the average silver price for the period and dividing by the average gold price for the period. Diamonds, other metals and cash royalties were converted into gold equivalent ounces by dividing the associated revenue by the average gold price for the period. Offtake agreements were converted using the financial settlement equivalent divided by the average gold price for the period.

Forward-looking Statements

This news release contains forward-looking information and forward-looking statements (together, "forward-looking statements") within the meaning of applicable Canadian securities laws and the United States Private Securities Litigation Reform Act of 1995. All statements in this release, other than statements of historical fact, that address future events, developments or performance that Osisko expects to occur including management's expectations regarding Osisko's growth. results of operations, estimated future revenue, requirements for additional capital, production estimates, production costs and revenue, business prospects and opportunities are forward-looking statements. In addition, statements relating to gold eguivalent ounces ("GEOs") are forward-looking statements, as they involve implied assessment, based on certain estimates and assumptions, and no assurance can be given that the GEOs will be realized. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "is expected" "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential", "scheduled" and similar expressions or variations (including negative variations of such words and phrases), or may be identified by statements to the effect that certain actions, events or conditions "will", "would", "may", "could" or "should" occur including, without limitation, the performance of the assets of Osisko, the estimate of GEOs to be received in 2019, and Osisko's ability to seize future opportunities. Although Osisko believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements involve known and unknown risks, uncertainties and other factors and are not guarantees of future performance and actual results may accordingly differ materially from those in forward-looking statements. Factors that could cause the actual results deriving from Osisko's royalties, streams and other interests to differ materially from those in forward-looking statements include, without limitation: influence of political or economic factors including fluctuations in the prices of the commodities and in value of the Canadian dollar relative to the U.S. dollar, continued availability of capital and financing and general economic, market or business conditions; regulations and regulatory changes in national and local government, including permitting and licensing regimes and taxation policies; whether or not Osisko is determined to have passive foreign investment company" ("PFIC") status as defined in Section 1297 of the United States Internal Revenue Code of 1986, as amended; potential changes in Canadian tax treatments of offshore streams or other interests, litigation, title, permit or license disputes; risks and hazards associated with the business of exploring, development and mining on the properties in which Osisko holds a royalty, stream or other interest including, but not limited to development, permitting, infrastructure, operating or technical difficulties, unusual or unexpected geological and metallurgical conditions, slope failures or cave-ins, flooding and other natural disasters or civil unrest, rate, grade and timing of production differences from mineral resource estimates or production forecasts or other uninsured risks; risk related to business opportunities that become available to, or are pursued by Osisko and exercise of third party rights affecting proposed investments. The forward-looking statements contained in this press release are based upon assumptions management believes to be reasonable, including, without limitation; the ongoing operation of the properties in which Osisko holds a royalty, stream or other interest by the owners or operators of such properties in a manner consistent with past practice; the accuracy of public statements and disclosures made by the owners or operators of such underlying properties; no material adverse change in the market price of the commodities that underlie the asset portfolio; Osisko's ongoing income and assets relating to the determination of its PFIC status, no material changes to existing tax treatments; no adverse development in respect of any significant property in which Osisko holds a royalty, stream or other interest; the accuracy of publicly disclosed expectations for the development of underlying properties that are not yet in production; and the absence of any other factors that could cause actions, events or results to differ from those anticipated, estimated or intended. However, there can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Investors are cautioned that forward-looking statements are not guarantees of future performance. Osisko cannot assure investors that actual results will be consistent with these forward-looking statements and investors should not place undue reliance on forward-looking statements due to the inherent uncertainty therein.

For additional information with respect to these and other factors and assumptions underlying the forward-looking statements made in this press release, see the section entitled "Risk Factors" in the most recent Annual Information Form of Osisko which is filed with the Canadian securities commissions and available electronically under Osisko's issuer profile on SEDAR at www.sedar.com and with the U.S. Securities and Exchange Commission on EDGAR at www.sec.gov. The forward-looking information set forth herein reflects Osisko's expectations as at the date of this press release and is subject to change after such date. Osisko disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, other than as required by law.
