ANYTIME pediatrics

Fact Sheet

Founded

Anytime Pediatrics was founded in 2016 in Nashville, Tennessee by Mick Connors, MD and Angie Connors.

Mission

Advancing innovation that strengthens relationships and elevates pediatric care

Bios

Mick Connors, MD
Co-Founder, Chief Executive Officer

Mick Connors, M.D., is passionate about children and improving access to the specialized, high-quality pediatric care they deserve. A currently practicing pediatric emergency physician, he has more than 25 years of clinical and leadership experience. He is a serial innovator and leader in the pediatric space.

While co-founding Anytime Telehealth and building Anytime Pediatrics since 2016, Mick has served at a variety of Children's Hospitals with physician shortages including: Children's National Medical Center, Dayton Children's Hospital and TC Thompson Children's Hospital. Formerly, Dr. Connors worked at Connecticut Children's Medical Center as Associate Director, Division of Pain Medicine, and Chief, Service Lines and Clinical Integration. Mick also spent 15 years with East Tennessee Children's Hospital in Knoxville as a pediatric emergency physician leader, Chairman of Partners in Pediatrics and as founder and President, Pediatric Analgesia and Sedation Specialists, PLLC.

Angie Connors
Co-Founder, Chief Operating Officer

Angie Connors is a seasoned healthcare technology and medical administration leader. Prior to co-founding Anytime Telehealth in 2016, she worked for McKesson in financial sales support, where she analyzed hospital usage of billing and coding requirements. She also previously served Connecticut Children's Hospital.

Angie spent more than 10 years with IBM, where she served in sales, marketing, and channel management in the education, healthcare, and government sectors. She was also the business manager for an entrepreneurial medical practice, where she was responsible for all areas of the practice's front- and back-office operations.

Mike Ross
Chief Technology Officer

Prior to joining Anytime Pediatrics, Mike spent four years at Microsoft serving as the Virtual Chief Technology Officer and trusted advisor for the Largest Enterprise Healthcare organizations in the country where he was responsible for developing and driving the technical strategy and overseeing all technical engagements from the Microsoft teams. Mike spent fourteen years as a consultant, has held key executive positions, and served as CTO for several start-ups. Mike brings with him over twenty years of experience in software architecture and design, operational leadership, strategic planning, and team development.

Marty Callahan
President, Chief Strategy Officer

Marty Callahan has more than 25 years of executive leadership and demonstrated organizational performance in the healthcare industry. He has held senior executive positions during that time; notably with TransUnion, President of Healthcare Markets at RevSpring, and most recently President and Chief Strategy Officer at Anytime Pediatrics. He brings operational, business development, sales, marketing, strategic thought and leadership expertise to fuel organizational growth and customer relationship expansion.
