

iGrafx Announces Appointment of Andrew McFarland to Chief Executive Officer

Portland, Oregon – May 03rd, 2021 – iGrafx, a world leader in digital business transformation, announced the appointment of Andrew McFarland to Chief Executive Officer, effective immediately.

Andrew joined iGrafx in October 2020 as Chief Customer Officer, bringing more than 25 years' experience in executive leadership. *"Andy is a proven leader who develops employees, drives vision, consistently exceeds goals"* stated Joel Trammel, chairman of iGrafx and managing partner of [Lone Rock Technology Group](#).

As a trusted advisor to investors and executive teams alike, Andrew will help iGrafx continue to develop innovative business strategies and client-focused solutions that enable organizations improve their processes, drive growth, and transform their business.

About iGrafx

iGrafx believes that process is at the center of everything, and helps the largest, most complex enterprises around the world convert their business processes into a portfolio of valuable assets. The iGrafx Business Transformation Platform is the world's most comprehensive, supporting RPA and workflow automation, customer journey, governance, risk, compliance, and more, as well as SaaS and private cloud deployment. It is also the most scalable, currently accommodating the largest, global enterprise requirements. iGrafx possesses and shares 400+ years of process passion.
