

THE WHITE HOUSE

WASHINGTON

November 17, 2023

I send my warmest greetings to all those celebrating Youth Entrepreneurship Day.

Youth entrepreneurs are the dreamers and doers of their generation. By taking a chance to build a company from nothing and turn it into something consequential, these bold visionaries are helping forge the future of the world they will inherit. Through their grit, drive, and determination, young entrepreneurs embody the heart and soul of who we are as a country and remind us of the promise of the American Dream.

We are at an inflection point in history—one of those moments where the decisions we make today will determine the course of our Nation for decades to come. As we tackle the greatest challenges of our time, my Administration is committed to lifting up the voices of young people and empowering them to chart their visions for the future of our country. We know that when we provide our youth entrepreneurs with the support and resources they need to start and scale their businesses, our economy grows stronger and our communities flourish. As President, I will continue doing everything I can to make sure our youth entrepreneurs have the tools they need to thrive.

This Youth Entrepreneurship Day, let us celebrate the unstoppable spirit of our young innovators and job creators and recommit to ensuring America forever remains a place of limitless possibilities.
