Market Size (2028)	USD 20.94 billion
CAGR (2023-2028)	2.33%
Study Period	2018-2028
Forecast Units	Value (USD billion)
Report Scope	Market Dynamics, Revenue Forecast and Segmentation, Competitive Landscape, and Recent Developments, Market Growth, Future Opportunities, and Trends
Key Market Drivers	The growing demand for processed food.
	The growing demand for recycling beverage cans.

**Who are the Top Companies in the Europe Metal Cans Market?**

The European metal cans market is highly competitive, with the presence of several market players manufacturing beverage cans. The barriers to exit from the market are high as canned food producers need significant divestment of specializing assets.

Significant players in the European metal cans market are,

- Ball Corporation
- Ardagh Group
- Crown Holdings Inc.
- Silgan Holdings Inc.
- CAN-PACK SA
- Massilly Holding SAS
- Tecnocap Group
- Tata Europe Ltd

### **Other Reports That Might Be of Your Interest:**

- [North America Aerosol Cans Market Report](#) - The North American aerosol cans market value is estimated at USD 4.17 billion in 2023. It is expected to reach USD 4.85 billion by 2028, registering a CAGR of 3.05% during the forecast period (2023-2028).
- [North America Metal Cans Market Report](#) - The North American metal cans market size is estimated at USD 12.35 billion in 2023. It is expected to reach USD 15.60 billion by 2028, registering a CAGR of 4.78% during the forecast period (2023-2028).

### **Key Highlights from the Europe Metal Cans Market Report:**

#### ***Demand for Food Cans to Register Growth***

- The demand for packaged food is increasing in the United Kingdom due to rising incomes and the convenience and availability of canned food.
- Consumers are increasingly using food cans because of their low environmental impact and high recyclability factors.

#### ***United Kingdom to Witness Significant Growth***

- Due to changing consumer trends and preferences, beverage cans are becoming popular in specialty drink segments. Consumers in the United Kingdom prefer small-size and multi-pack packages, which is increasing the market's growth.
- The UK cosmetic market is saturated with the presence of hair styling products. Their growing adoption due to consumer purchasing power is driving the demand for aerosol cans.

### **What are the Latest Developments in the Europe Metal Cans Market?**

- In April 2022, CANPACK SA, a leading aluminum beverage can manufacturer, planned to install a new production line of aluminum cans in Bydgoszcz, Poland.
- In March 2022, Crown Holdings announced its plan to establish a new beverage can plant in Peterborough, United Kingdom.
