Nufactor® Receives URAC’s 2022 Pioneer Award in Performance Measurement for Second Consecutive Year

TEMECULA, Calif., May 10, 2023 (GLOBE NEWSWIRE) — Nufactor, Inc., a specialty infusion company and subsidiary of FFF Enterprises Inc., is pleased to announce that it has again been named a [2022 Pioneer in Performance Measurement by URAC](#). This marks the second consecutive year that Nufactor has received this prestigious award, having also earned it in 2021.

URAC, the nation’s foremost independent health care accreditation organization, establishes quality standards aimed at delivering a higher quality of care for all. Nufactor has earned URAC’s Specialty Pharmacy Accreditation in recognition of its commitment to excellence in overall patient care.

“Nufactor is honored to receive URAC’s Pioneer Award for the second consecutive year and is proud to be among only 17 specialty pharmacies nationwide to earn this distinction,” says Joe DiStefano, RPh, IgCP®, CSP, vice president, clinical programs. “This continued recognition highlights Nufactor’s dedication to patient care and access and illustrates our alignment with URAC’s enduring mission: ‘exceptional healthcare for all’.”

URAC’s Pioneer Award recognizes organizations that have made significant contributions to improving performance measurement within accreditation programs and advancing high-quality care. These organizations engage in activities beyond the mandatory reporting requirements, such as submitting exploratory measures that provide insight into innovative measurement concepts.

“Through the introduction of our Leaders in Performance Measurement program, URAC is recognizing the commitment of URAC-accredited organizations who are promoting trust in the quality of care delivered through performance measurement activities,” says Shawn Griffin, MD, president, and CEO.
