

Quorum Announces Early Debt Pay Down of \$0.9 million of BDC Capital Facility

CALGARY, Alberta, February 14, 2024 - Quorum Information Technologies Inc. (TSX-V: QIS) (OTC Pink: QIFTF) (“Quorum”), a North American SaaS Software and Services company providing essential enterprise solutions that automotive dealerships and Original Equipment Manufacturers (“OEMs”) rely on for their operations, announced today it has made a prepayment of \$0.9 million in principal and interest on its BDC Capital Inc Loan Facility (“BDC Capital Facility” or “Facility”).

The prepayment reduced the outstanding principal amount under the BDC Capital Facility by \$0.9 million from \$9.6 million to \$8.7 million, resulting in \$0.1 million in annual interest expense savings. The debt prepayment was funded with excess cash on hand. Quorum continues to have access to \$4.0 million in additional funding through the BDC Capital Facility.

“We are pleased to pay down an additional \$0.9 million on the BDC Capital Facility,” stated Maury Marks, President and CEO of Quorum. “This follows the paydown of \$1.6 million on the BDC Capital Facility in Q4 2023. These pay downs follow Q3 2023 where we reported Adjusted EBITDA¹ of \$2.0 million and a cash balance of \$5.2 million. Our continued growth in Adjusted EBITDA and cash flow leaves us well positioned to continue paying down the BDC Capital Facility in the future.”

About Quorum Information Technologies Inc.

[Quorum](#) is a North American SaaS Software and Services company providing essential enterprise solutions that automotive dealerships and Original Equipment Manufacturers (“OEMs”) rely on for their operations, including:

- [Quorum’s Dealership Management System \(DMS\)](#), which automates, integrates, and streamlines key processes across departments in a dealership, and emphasizes revenue generation and customer satisfaction.
- [DealerMine CRM](#), a sales and service Customer Relationship Management (“CRM”) system and set of Business Development Centre services that drives revenue into the critical sales and service departments in a dealership.
- [Autovance](#), a modern retailing platform that helps dealerships attract more business through Digital Retailing, improve in-store profits and closing rates through its desking tool and maximize their efficiency and CSI through Autovance’s F&I menu solution.
- [Accessible Accessories](#), a digital retailing platform that allows franchised dealerships to efficiently increase their vehicle accessories revenue.
- [VINN Automotive](#), a premier automotive marketplace that streamlines the vehicle research and purchase process for vehicle shoppers while helping retailers sell more efficiently.

¹ Adjusted EBITDA – Net income (loss) before interest and financing costs, taxes, depreciation, amortization, stock-based compensation, foreign exchange gains and losses, one-time acquisition-related expenses and restructuring fees.
