Blue Federal Credit Union and Aventa Credit Union Announce Intent to Merge

Cheyenne, WY — In a collaborative effort to enhance member financial well-being and community investment, Blue Federal Credit Union and Aventa Credit Union are thrilled to announce their joint decision to merge. The credit unions, when merged, will do business as Blue Federal Credit Union, with combined assets of more than \$2.1 billion and over 153,000 members.

This partnership, rooted in shared values and a commitment to member service, is set to be finalized in early 2024, pending approval from the National Credit Union Administration (NCUA) and Aventa's membership. By bringing the two credit unions together, all members will have access to expanded products and services, the latest digital banking technology, and best-in-class member service at 27 branch locations throughout Colorado and Wyoming, a Contact Center, and a nationwide ATM/VTM network.

"Blue Federal Credit Union warmly welcomes Aventa's members and employees as we join forces", said Stephanie Teubner, Blue Federal Credit Union's President/CEO. "Our shared commitment to the well-being of our members, employees, and communities, combined with our expanded presence and robust financial standing, makes this union a seamless alignment for both institutions".

"This partnership represents a significant milestone for Aventa's members, associates, and communities", said Greg Mills, Aventa Credit Union's President/CEO. "We embrace Blue's commitment to being your lifelong financial champion".
