

CCHP tripled Medicaid and Marketplace member enrollment in Kiiio's digital musculoskeletal health solution during COVID.

During COVID, when mental health symptoms are increasing...

 **80%**

...Kiiio members reported stable or improved mental well-being.

61%

of members reported less pain within 1 week

Kiiio started slow and let me progress at my pace. It helped my whole body not just my back.

Kiiio shows exercise can help instead of taking pills.
