

HP ElitePOS G1 Retail System series

Retail redefined by design.

With security, durability, and flexibility built into its gorgeous design, the HP ElitePOS system meets the demands of your business and marks a new era in retail.

Sleek. Modern. Adaptable.

- Designed to adapt to any retail or hospitality environment, the HP ElitePOS system features a versatile ecosystem of accessories.¹ Build the ideal solution for your business—whether it's a checkout, interactive signage or self-service.

Secure data. Protect customers.

- Today's business calls for next-level security. The HP ElitePOS answers with a self-healing PC BIOS and firmware that shields the BIOS against attacks to help keep your data, devices, and customers safe and secure.

Durable. Powerful. Built for the day ahead.

- Power through your peaks with 7th generation Intel[®] processors and a durable system that has a 5-year lifecycle and up to a 3-year standard limited warranty.² Get up to 5 years peace of mind with optional HP Care services.³

- **Bring the digital and physical worlds together.** Drive your business and deliver engaging, adaptable content and applications across devices and displays with the seamlessness of Windows 10 Pro or Windows 10 IoT.⁴
- **Optimize your space in style.** Set a new bar for sophistication with components and accessories that complement the HP ElitePOS aesthetic, including stands, magnetic stripe reader, barcode scanner, customer-facing displays, and an in-column or standalone receipt printer.¹
- **Alluring and easy to use.** Engage customers and enable associates with a modern, polished 14" diagonal touchscreen display that's intuitive and responsive for fast interaction and has an anti-glare coating to minimize light interference.
- **Retail-ready durability.** Entrust a device that's not only beautiful but retail-hardened. It's designed to pass MIL-STD 801G with a sturdy, anodized aluminum chassis that resists spills by channeling liquids away from the screen.⁵
- **Secure inside and out.** Get extra protection with the automatic updates and security checks of HP BIOSphere Gen3. Control application and system access with Device Guard and Credential Guard. Speed logins with an optional fingerprint reader and Windows Hello.^{6,7,8}
- **Powerhouse performer.** The HP ElitePOS is ready for duty with 7th generation Intel[®] processors, efficient M.2 storage, fast DDR4 memory, and optional wireless LAN with Bluetooth[®]. An integrated SD card reader supports easy backup, deployment, and servicing.^{1,9}

Footnotes

¹Optional features sold separately or as add-on features.

²1- or 3-year limited warranty, depending on country.

³HP Care Services are optional. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit <http://www.hp.com/go/cpc>. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

⁴Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>

⁵MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.

⁶HP BIOSphere Gen3 requires Intel® or AMD® 7th generation processors.

⁷Windows 10 Enterprise and Device Guard are only available for installation through HP Custom Integration Services to enterprise customers with a volume license to use Windows 10 Enterprise. Device Guard is not available with Windows 10 Pro.

⁸Optional fingerprint reader required. Windows Hello requires Windows 10 Pro.

⁹Wireless access point and Internet access required.

Technical specifications disclaimers

¹Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated,

which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com/>.

²Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

³Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.

⁴Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.

⁵For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

⁶Wireless cards are optional or add-on features and requires separately purchased wireless access point and internet service. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

⁷Intel® HD Graphics 610: integrated on Celeron™ G3965U; Intel® HD Graphics 620: integrated on 7th gen Core™ i7/i5/i3 processors.

⁸Optional MSR is integrated directly into display head unit.

⁹HP BIOSphere with Sure Start available only on business PCs with HP BIOS. HP BIOSphere Gen 3 requires Intel® 7th generation processors.

¹⁰EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

¹¹External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

¹²Device Guard is only available with Windows 10 IoT 64 Enterprise LTSB for Retail. Device Guard is not available with Windows 10 Pro.
