Dividend Reinvestment Plan

The Company also wishes to remind its shareholders that it has implemented a dividend reinvestment plan (the “Plan”). Shareholders who are residents of Canada and the United States may elect to participate in the Plan in connection with the dividend to be paid on July 15, 2026 to shareholders on record as of June 30, 2026, and consequently benefit from the 3% discount offered for the second quarter dividend. More details are available on OR Royalties’ website at <http://ORroyalties.com/dividends/drip/>.

Non-registered beneficial shareholders who wish to participate in the Plan should contact their financial advisor, broker, investment dealer, bank or other financial institution that holds their common shares to inquire about the applicable enrolment deadline and to request enrolment in the Plan. For more information on how to enroll or any other inquiries, contact our transfer agent at 1-800-387-0825 (toll-free in Canada) or shareholderinquiries@tmx.com.

Participation in the Plan does not relieve shareholders of any liability for taxes that may be payable in respect of dividends that are reinvested in common shares under the Plan. Shareholders should consult their tax advisors concerning the tax implications of their participation in the Plan having regard to their particular circumstances.
