

A flexible program designed to support the treatment journey in a way that works best for patients

Insurance Support

Patients can receive support in understanding their insurance coverage, eligibility for financial assistance, and educational resources about their infusion

Copay Assistance

Eligible patients may pay **as little as \$0 copay** per BRIUMVI treatment with an additional benefit to help cover infusion-related costs*

Quick Start

Patients experiencing a coverage delay may be eligible to receive **up to their first 2 infusions at no cost** (Day 1 and 15)

Visit www.briumvipatientsupport.com to learn more and download the **BRIUMVI Start Form** to enroll patients into the program.

* For commercially insured patients only. Other eligibility requirements apply. Click here for full [Terms and Conditions](#).
