

NACON ANNOUNCES A NEW OFFICIAL XBOX CONTROLLER

The new EVOL-X, an officially licensed Xbox controller, combines performance, comfort and affordability

Lesquin (France), 22 May 2023 – At Bigben Week 2023, NACON announced the release of a new official Xbox controller. Building on the expertise gained with the Revolution X (premium official controller released in late 2021), the EVOL-X offers everything gamers need in a controller for an affordable price.

This Microsoft-certified controller is the latest essential peripheral for all gamers. Easy to use, comfortable and durable, it is ideal for players looking for a heavy-duty, high-performing controller.

The EVOL-X boasts the following features:

- Four vibration motors (two in the triggers and two in the grips) so players can feel the game's sensations right in their hands
- Wired USB connection with 3m detachable cable for playing at a comfortable distance from the screen
- A reinforced 3.5mm jack for optimal durability
- A non-slip surface for optimal grip and comfort during long gaming sessions
- Larger action buttons to increase ease of use and comfort
- Concave stick heads to fit thumbs and improve handling

Available in six colours (White, Black, Silver, Transparent with LEDs, Metallic Blue, Metallic Red), all gamers will find a model that suits their style.

The NACON EVOL-X controller will be available in September 2023 for a recommended retail price of €34.99 for the white and black versions.

About NACON

NACON is a company of the BIGBEN Group founded in 2019 to optimize its know-how through strong synergies in the video game market. By bringing together its 16 development studios, the publishing of AA video games, the design and distribution of premium gaming devices, NACON focuses 30 years of expertise at the service of players. This new unified business unit strengthens NACON's position in the market and enables it to innovate by creating new unique competitive advantages. <https://corporate.nacongaming.com/>
