

OrganicsLA

Let's put our waste to work.

GREEN Bin It, LA.

When you put your kitchen scraps in the green bin, LA processes them into compost that helps California farms grow fresh produce for Angelenos.

Cuando colocas los restos de comida en el contenedor verde, Los Ángeles los procesa y los convierte en abono que ayuda a las granjas de California a cultivar productos frescos para los angelinos.

Pongamos nuestros residuos a trabajar.

Contenedor VERDE, LA.
