

News Release

Ashland to host virtual investor day, November 12

WILMINGTON, Del., October 7, 2021 – Ashland Global Holdings Inc. (NYSE: ASH) today announced that it will hold a virtual investor day on Friday, November 12, 2021 beginning at 9 a.m. ET.

Guillermo Novo, chairman and chief executive officer, along with members of the company's leadership team, will review the company's updated profile and provide detailed insight into the future-forward strategies to create long-term stakeholder value.

Among those participating in the virtual investor day will be:

- Guillermo Novo, chairman and chief executive officer;
- Kevin Willis, senior vice president and chief financial officer;
- Ashok Kalyana, senior vice president and general manager, life sciences;
- Xiaolan Wang, senior vice president and general manager, personal care and household;
- Min Chong, senior vice president and general manager, specialty additives and intermediates and solvents, and;
- Seth Mrozek, director, investor relations.

Ashland will highlight its plans for creating shareholder value and the strategies that will drive profitable growth. Executive business leaders will provide insights into life sciences, personal care, and specialty additives including their respective innovation growth plans.

Novo will also address the company purpose and intensified focus on the ethical, social, environmental, cultural, and economic dimensions of doing business.

The presentations will outline expectations for Ashland's future performance followed by a live question and answer session and a virtual innovation tradeshow. The virtual tradeshow will allow participants to experience an array of new technologies, innovations and applications that Ashland solves around the world are contributing to meet customers' needs. During the live event, additional Ashland leaders will be available to participate in virtual question and answer sessions.
