## Important Notice and Disclaimer

### Citrine Global, currently trading as TechCare Corp. (TECR) (OTCMKS)

The legal name of Citrine Global is currently TechCare Corp., a Delaware company traded (TECR) on the OTCMKS (the “Company”). The Company makes no commitments or representations by this information presentation (the “Information Presentation”) with respect to the Company’s name, the name or existence of any subsidiaries of the Company, any group structure, partnerships, relationships or cooperation with other parties, any information relating to individuals, including any biographical information, functions or titles, any knowledge, experience, expertise or contacts of the Company or any individual, any business plans and/or sector focus of the Company, or any other matter. The Company accepts no liability for any loss arising from reliance on this Information Presentation. The matters referred to in this Information Presentation are subject to change without notice.

This Information Presentation is not an offer or invitation to sell or acquire any shares, securities or any assets or other interests of whatever nature, and shall not be taken as any form of commitment or recommendation on the part of the Company to proceed with any transaction. A proposal regarding any transaction will only give rise to any contractual obligations, express or implied on the part of the Company when a definitive agreement has been executed. Nothing contained herein shall be deemed to constitute an agreement by the Company to permit the recipient of this Information Presentation (the “Recipient”) to have unrestricted or any other type of access to the Company’s information, books, records, employees or otherwise.

This Information Presentation includes forward-looking statements. The Company has based these forward looking statements on its current expectations and projections about future events. These forward-looking statements are subject to risks, uncertainties, and assumptions about the Company and the business environment. The Company’s actual results of operations may differ materially from the forward-looking statements. The Company undertakes no obligation to update or revise this Information Presentation, whether as a result of new information, future events, or otherwise. In considering any prior performance information contained herein, the Recipient should note that past performance is not necessarily indicative of future results, and there can be no assurance that any transaction will achieve comparable results or that targeted returns will be met.

In accepting delivery of this Information Presentation, the Recipient agrees that no information contained in this Information Presentation or any other written or oral communication transmitted or made available to the Recipient pursuant to or in connection with this Information Presentation (collectively, “Information and Communication”) is, or shall be relied upon as a promise or representation, whether as to the past or the future, and no liability will attach, except as provided in a definitive agreement between the recipient and the Company, when, and if it is executed, and subject to such limitations as may be provided in any such agreement.

The Recipient shall undertake and conduct the Recipient’s own review and due diligence of the Company, and the terms and conditions of any transaction, including all uncertainties, merits and risks involved. All statements contained in this Information Presentation, whether of facts or of opinions (e.g., of law, business, tax etc.) shall be verified by the Recipient through independent review and due diligence, and is not intended to form the basis of any investment decision. The Recipient agrees that all such statements and any omission to make a statement, do not constitute any form of representation or warranty as to the matters stated or otherwise. The Recipient shall hold the Company harmless against any liability for damage or loss that may result from the Recipient relying upon all Information and Communication.

Any transaction described or contemplated in connection with this Information Presentation may be subject to legal and regulatory requirements applicable in multiple jurisdictions. The Recipient shall be solely responsible for complying with any and all such requirements (if applicable).
