

Vector Solutions Offers Complimentary Training for Casino Employees Amid the COVID-19 Pandemic

TAMPA, FL - May 8, 2020 – Vector Solutions, a leader in eLearning and performance support solutions for the world’s most critical industries, is offering complimentary educational resources to help the gaming industry during the coronavirus (COVID-19) pandemic.

Through its [Casino Essentials](#) brand, Vector is providing complimentary online professional development courses for all current and former casino employees, from frontline employees to current managers. These training resources will help build leadership, communication and time management skills to prepare casino employees for success when they are ready to return to work.

“The gaming industry has suffered a tremendous hit during the COVID-19 pandemic. As a training and operations solution for casinos, it is more important than ever for Vector to support our partners in the gaming industry and their employees,” said Alex Berry, Executive Vice President of Vector Solutions. “This complimentary training will help gaming industry professionals sharpen their skills and progress their careers as they prepare to return to their jobs.”

Through this offering, casino employees will have self-service access to six online training modules with over five hours of content. Certificates of completion are available and course topics include:

- Supervisor Basics and Fundamentals
- Time Management and Productivity
- Measurable Performance Goals and Expectations
- Employees Performance Recognition
- Manager Basics: Providing Professional Criticism
- Manager Basics: Coaching Techniques for Leaders

The courses can be accessed online [here](#) or by visiting www.casinoessentials.com.

Additionally, [Vector Solutions’ Coronavirus Resource Center](#) offers various complimentary COVID-19 resources for all individuals and communities, including access to Vector’s six course Vector Cares series, which includes the following:

- Coronavirus 101: What You Need to Know

- Coronavirus 102: Preparing Your Household
- Coronavirus 103: Managing Stress & Anxiety
- Coronavirus 104: Transitioning to a Remote Workplace
- Coronavirus 105: Cleaning and Disinfecting Common Spaces
- Coronavirus 106: CDC Guidelines for Using Cloth Face Masks
