

MISSION STATEMENT

Insure.com is committed to providing the most comprehensive and useful insurance information on the web.

LIFE INSURANCE CALCULATOR

Insure.com's life insurance calculator makes it easy to determine what type of life insurance you need and how much you need to buy.

AVERAGE CAR INSURANCE RATES

Insure.com lets you compare car insurance rates in every state for more than 2,800 different vehicle models.

INSURANCE ADVISOR TOOL

Insure.com's Insurance Advisor allows you to answer a few questions and quickly get a snapshot of your insurance portfolio that shows if you have appropriate levels of coverage for auto, health, home and life insurance and gives custom recommendations.

CONSUMERS CAN FIND THE FOLLOWING INFORMATION AT INSURE.COM

Featured data-driven studies

States ranked as most and least expensive for car insurance based on an analysis of comprehensive data on auto insurance rates for top-selling, new-model vehicles.

Most and least expensive vehicles to insure

Insure.com commissioned Quadrant Information Services to calculate average auto insurance rates for current-year model vehicles.

Best insurance companies

Who are the best insurance companies? We surveyed current customers of some of the largest auto, home, life and health companies to find out how they rate their insurers on five important measurements.

INSURANCE EXPERTS

Michelle Megna is a writer, editor and expert on insurance and personal finance. Prior to joining Insure.com, she reported and edited articles on technology, lifestyle, education and government for magazines, websites and major newspapers, including the New York Daily News.

Penny Gusner has more than a decade of experience in the insurance industry and answers consumer questions as an analyst for Insure.com, CarInsurance.com and Insurance.com.

Why Insure.com is the best consumer guide to insurance:

Insure.com is an unbiased insurance website and marketplace that provides comprehensive information (through articles, studies and surveys) on auto, life, home and health insurance. Our goal is to educate consumers, provide resources and give them the ability to shop reputable insurers to meet their policy needs.
