

**CORPORATE OFFICERS' COMPENSATION
IN ACCORDANCE WITH AFEP-MEDEF CODE OF
CORPORATE GOVERNANCE FOR LISTED COMPANIES**

At a meeting chaired by Pierre Vareille on May 16th, 2018, the Board of Directors of SOCIÉTÉ BIC reached the following decisions, based on the recommendations of the Compensation Committee:

Compensation for 2018 fiscal year (since May 16, 2018):

Gonzalve Bich, Chief Executive Officer, will receive an annual fixed compensation of 675,000 US dollars (597,345 euros¹) (+22.7% vs. current) since May 16, 2018, with a target bonus of 125% of the fixed part of the compensation (85% previously acting as Chief Operating Officer).

The compensation for Pierre Vareille, Chairman of the Board of Directors since May 16, 2018, will be decided at a later date.

The compensations of Jim DiPietro and Marie-Aimée Bich, Executive Vice-Presidents, remain unchanged.

Performance-Based Share Allocations:

Within the scope of the authorization of the Extraordinary General Meeting of May 16, 2018 (resolution 22) presented on pages 291 and 292 of the 2017 Registration Document, the Board of Directors decided, to conditionally allocate free performance-based BIC shares as follows:

- 15,000 shares to Gonzalve Bich, Chief Executive Officer;
- 8,000 shares to James DiPietro, Executive Vice-President;
- 3,250 shares to Marie-Aimée Bich-Dufour, Executive Vice-President.

The acquisition of these shares is subject to the achievement of the performance conditions for the period 2018-2019-2020: Net Sales increase and Cash Flow From Operations and Change in Inventory (CFO &I), as a percentage of Net Sales.

The number of shares definitively acquired will be recorded at the end of an acquisition period of 3 years following the date of allocation (i.e. May 16, 2021). If the average percentage for the achievement of the two performance conditions is between 100% and 75%, and for each percent below 100%, the number of shares definitively acquired by each beneficiary on the vesting date will be reduced by 2% compared to the initial grant.

If the average percentage for the achievement of the two performance conditions is less than 75%, no shares will be acquired.

BIC Corporate Officers are required to keep 20% of acquired free shares, until their mandate expires. The 20% requirement is reduced to 10% when the Chief Executive Officer owns five years of base compensation in BIC shares and when the Executive Vice-Presidents own three years of base compensation in BIC shares.

(1) Amounts in US dollars were translated into euros using the average exchange rate for 2017 (1 € = 1.1300 USD).
