As part of today's closing, Osisko and Orion have closed the purchase for cancellation of 7,319,499 common shares of Osisko from Orion in exchange for certain equity securities of exploration and development companies currently held by Osisko, and cash resulting from the concurrent disposition on the date hereof of all of the shares of Dalradian Resources Inc. currently held by Osisko to another entity managed by Orion Resource Partners.

Closing of the second tranche of the Share Repurchase for an additional 5,066,218 common shares of Osisko is expected to occur in July 2019, subject to customary closing conditions, including receipt of an Advanced Ruling Certificate (ARC) under the *Competition Act* (Canada) in the case of the disposition by Osisko of its shares of Victoria Gold Corp.

A portion of the purchase price for the first tranche of the Share Repurchase was paid in the form of the transfer from Osisko to Orion of all of the shares held by Osisko in (i) Aquila Resources Inc. (TSX: AQA) ("**Aquila**"), (ii) Highland Copper Company Inc. (TSXV: HI) ("**Highland Copper**"), and (iii) TerraX Minerals Inc. (TSXV: TRX; Frankfurt: TX0; OTC Pink: TRXXF) ("**TerraX**"). Immediately following the closing of the Share Repurchase, Osisko had beneficial ownership of, or control and direction over (i) no common shares of Aquila, and Aquila Warrants entitling Osisko to purchase 12,293,269 additional common shares of Aquila (assuming the exercise of the Aquila Warrants, Osisko would have beneficial ownership of, or control and direction over, approximately 3.5% of the common shares of Aquila issued and outstanding), (ii) no common shares of Highland Copper, and (iii) no common shares of TerraX.
