

Quorum Announces Enhancements to its Online Service Scheduling Product

New robust design delivers an improved online service experience for customers

CALGARY, Alberta, January 26th, 2023 - Quorum Information Technologies Inc. (TSX-V: QIS) ("Quorum" or the "Company"), a North American SaaS Software and Services company providing essential enterprise solutions that automotive dealerships and Original Equipment Manufacturers ("OEMs") rely on for their operations, is pleased to announce that its DealerMine branded Online Service Scheduling ("OSS") now has a new User Interface ("UI") and an improved User Experience ("UX") design. Additionally, DealerMine's OSS was enhanced to allow for direct integration with select OEM maintenance menus and vehicle recall information.

"DealerMine's robust Online Service Scheduling platform has a sleek, modern and streamlined look that makes it simple for customers to book their service appointments at their leisure," stated Hope Gabric, BDC Service Manager for Darlings Auto Group. "With its intricate interfacing abilities to handle any dealer's concierge of services while also educating the customer on their vehicle's mileage-based services, DealerMine's Online Service Scheduling tool is a must have for your dealership's online service presence."

"The enhancements to our OSS solution deliver an improved dealership and customer experience," stated Maury Marks, President and CEO of Quorum. "The enhanced OSS product is part of Quorum's complete product suite offering which includes online digital retailing solutions for dealership sales and service departments. These digital solutions include OSS, PowerLane, a mobile service lane solution that provides customers with a touchless, transparent service experience, and MyDeal, a digital retailing solution that provides an online vehicle purchasing experience."
