**United States House of Representatives Awards Catering Services Contract to  
Trade Center Management Associates, LLC (A Drew Company)**

**Washington, D.C.** – Trade Center Management Associates, LLC (TCMA), a Drew Company, is pleased to announce it has been awarded a new contract to provide catering services for the United States House of Representatives, an institution at the heart of American democracy, following a competitive procurement process. The contract will take effect in August 2025.

Under this agreement, TCMA (A Drew Company) will proudly oversee catered events for both House and non-House entities, serving a diverse range of banquet and meeting spaces throughout the Capitol Hill complex—playing a meaningful role in support of its important work on behalf of the nation.

With more than 30 years of experience in partnership with public authorities, TCMA (A Drew Company) is recognized for its expertise in hospitality, venue management, event planning, and delivering high-quality food and service. The company currently provides catering and event management for prominent institutions including the Ronald Reagan Building and International Trade Center and the International Monetary Fund, among other public and private sector clients.

“We are honored to partner with the United States House of Representatives to elevate the dining and event experience for Members of Congress, staff, and guests,” said John P. Drew, President and CEO of TCMA. “Our team is committed to excellence—combining quality, variety, and creativity with the highest standards of cleanliness, safety, and service. We look forward to bringing our hospitality expertise to the Capitol Hill community and will take great pride in serving the ‘People’s House’.”
