Upbring's One Night. One Mission. One Community. Virtual Gala scheduled for March 26, 2021

Texas-based Nonprofit Hosts First-ever Virtual Gala benefiting its life-changing programs

Austin, TX – March 24, 2021 – Upbring, a Texas-based nonprofit dedicated to breaking the cycle of child abuse, will host its first-ever virtual gala in response to the COVID-19 pandemic and its steadfast commitment to the safety and wellbeing of its attendees, staff and those in its care. The *One Night. One Mission. One Community.* event benefiting six of its life-changing programs—Foster In Texas (FIT), Krause Children's Center, New Life Children's Center, Neighborhood House, Health For Friends Clinic and BeREAL—is free to the public and will take place on Zoom at Upbring.org/Live at 7:01 p.m.

"As we continue to face uncharted waters nearing the one-year anniversary of the pandemic, we have the unique opportunity to come together as one during this special event," said President and Chief Executive Officer Michael Loo. "While we have experienced many challenges over the last year, we can rejoice in moving forward together in service to advance our life-changing mission. With the help of our unwavering supporters, community and staff, our work continues to impact the lives of those who need our help now more than ever."

The virtual event will give viewers an inside look at its statewide programs, followed by a live auction and an after-party featuring Texas native, CMA and ACM-winning singer and hit songwriter Drew Womack. Attendees are encouraged to invite friends, family and colleagues to experience the power of one night, one mission and one community.
