

OSISKO POSTPONES ANNUAL MEETING OF SHAREHOLDERS

Montréal, March 18, 2020 – Osisko Gold Royalties Ltd (the “Company” or “Osisko”) (OR: TSX & NYSE) today announced that it is postponing its annual meeting of shareholders to a later date. The Company is assessing its options to hold a virtual or hybrid meeting with a view to protecting the health and safety of its employees, shareholders and others who usually attend the annual meeting. The updated record date and date of the annual meeting of shareholders will be communicated shortly.

The decision to postpone the meeting, and to change the meeting format, is motivated by rapidly evolving news on COVID-19, which Osisko is monitoring closely, and advice from governments and health professionals.

The health and safety of its employees continues to be a priority; to this effect, Osisko has decided to strictly limit access to its head office and has implemented a protocol to allow and enable employees to work efficiently from their homes. Furthermore, the Company has also restricted business development and conference travel until further notice; meetings will be attended remotely via telephone or video conference where possible. We continue to monitor the situation and will implement further changes as necessary.
