COSTCO AUTO PROGRAM ANNOUNCES MULTI-BRAND EVENT

Limited-Time Special features top models from four vehicle manufacturers

SAN DIEGO, October 1, 2020 – Costco Auto Program today announced the Costco Auto Program Savings Event featuring exclusive Costco member incentives on select new 2020 and 2021 models from Volvo, Chevrolet, Buick and GMC.

According to Costco Auto Program, operated by Affinity Auto Program, this event is part of its initiative to provide extra savings opportunities, called “Limited-Time Specials,” for Costco members. Costco Auto Program hosted five Limited-Time Specials during the first half of 2020, more than double than the previous year, resulting in nearly 45,000 additional vehicle sales.

Costco Auto Program data on purchases through the program identify Volvo and Chevrolet as two of the most popular brands among Costco members. All Volvo models available during the Costco Auto Program Savings Event topped their segments this year with the XC90 being the most-requested vehicle for luxury SUV models overall. The Chevrolet Silverado is the no. 1 truck purchased by Costco members through the program.

“The Costco Auto Program Savings Event is a great opportunity to take advantage of year-end savings,” said Rick Borg, Costco Auto Program general manager. “To receive extraordinary value, Costco members can stack the member-only incentive with manufacturer incentives for which they are eligible.”

Costco Auto Program Savings Event Details:

From October 1, 2020, through January 4, 2021, Costco members who purchase or lease select new 2020 or 2021 models can combine any available manufacturer incentives they qualify to receive with the following Costco member-only incentives:*
