

Serving students at Scale

Our graduating students, by the numbers

Data as of June 30, 2024

*Black, Hispanic, Indigenous, or two or more races

"I had debilitating math anxiety and I didn't think that I was smart enough to be in school so I dropped out of high school in the 11th grade — a decision that relegated me to a life of mediocrity. I went from low-paying job to low-paying job and I become the quintessential jack-of-all-trades and master of none."

– Daniel B.

M.Ed. Educational Technology & Instructional Design

16,762

School of Education

9,696

Leavitt School of Health

8,876

School of Technology

Most Degrees Awarded by State

4,910

Washington

4,476

Texas

4,410

California

3,228

Utah

"If there's anything I've learned, it's that there's not a Google map for life. We navigate as best we can and if we get re-routed, we don't just pull over. We turn on those hazard lights and we keep going . . . and we keep going . . . and we keep going."

– Arteja S.

Master of Business Administration
